martinet

**noun:** a strict disciplinarian

The job seemed perfect to Rebecca, until she found out that her boss was a total **martinet**; after each project the boss would come by to scrutinize—and inevitably criticize—every little detail of the work Rebecca had done.

clear, effective communication.

A screenshot of the Microsoft Word ribbon interface. The ribbon is divided into several tabs: File, Insert, Page Layout, Design, References, Mailings, Review, and Home. The 'Home' tab is currently selected, indicated by a blue background and a white font. Below the ribbon, there is a toolbar with various icons for text, tables, and other document elements. The main workspace is visible at the bottom.

Following is the basic window which you get when you start word application. Let us understand various important parts of this window.

File Tab

The File tab replaces the Office button from Word 2007. You can click it to check **Backstage view**, which is the place to come when you need to open or save files, create new documents, print a document, and do other file-related operations.

### **Quick Access Toolbar:**

This you will find just above the File tab and its purpose is to provide a convenient resting place for the Word most frequently used commands. You can customize this toolbar based on your comfort.

complete, open the BlueStacks software. It may take some time to load for the first time. Just be patient until it completely loads and available. You will see the home screen of Bluestacks. BlueStacks comes with Google play store pre-installed. On the home screen, double-click the Playstore icon to open it. Now you can search Google Play store for GRE Vocabulary Flashcards app using the search bar at the top. Click "Install" to get it installed. Always make sure you download the official app only by verifying the developer's name. In this case, it is "Magoosh". Once the installation is over, you will find the GRE Vocabulary Flashcards app under the "Apps" menu of BlueStacks. Double-click the app icon to open and use the GRE Vocabulary Flashcards in your favorite Windows PC or Mac. If the above method doesn't work for you for some reason, then you can try this method - 2.
